Dear Friends,

Malinda and I were shocked to learn today of the terrible tragedy that befell your country. What a horrific moment in your history, especially when it was connected to the 70th anniversary commemoration of the massacre in Katyn forest.

We grieve with you and all of Poland on this terrible day. Your tears are our tears and we stand with you in mourning for your nation. Please be assured of our prayers for you and all of Poland in the difficult days ahead.

*With love in Christ,
Alan and Malinda*

Maria,

Our hearts and prayers are with you as your nation mourns the loss of your President, his wife, and a number of Polish government officials. It is indeed a tragedy and our God only knows why

this has happened. We pray that as your nation mourns this situation, and then moves forward, that you will be granted peace beyond understanding and wisdom as your nation rises above this. May the God of peace, through His Son, Jesus Christ, grant you His comfort as you comfort one another.

Blessings & Peace
